Privacy of Children Online (COPPA Compliance)

MyFunRun recognizes the importance of protecting the privacy of children, especially those under the age of 13. In compliance with the **Children's Online Privacy Protection Act (COPPA)**. We are committed to ensuring that any personal information collected from or about children is handled with the highest standard of care and only with appropriate parental consent.

Personal Fundraising Web Pages

Each student participant may have a Personal Fundraising Web Page as part of their school's campaign. These pages may include identifying information such as the student's first name, last initial, class name, or participant number, depending on the selected privacy setting.

We do not knowingly collect personal information from children under the age of 13 without verifiable parental consent. Schools or organizers are required to confirm that appropriate consent has been obtained from a parent or legal guardian before any personally identifiable information (PII) is submitted to MyFunRun for display or storage.

Privacy Level Options

To respect school policies and parental preferences, we offer customizable privacy levels:

- **No Privacy: First name, last name, photo, and custom content. *Requires parental consent***
- **Low Privacy:** First name, last name, and pre-approved content. *Requires parental consent*.
- **Medium Privacy (Recommended)**: First name and last initial only, with standardized content.
- **High Privacy:** Anonymous participant number only. Schools provide their own participant IDs.
- **Highest Privacy:** No individual student pages, only class-wide pages with no names or numbers.

Schools may choose to omit specific students from participation or remove them at any time through the administrator Dashboard. We collect only the minimum necessary information required to support the selected privacy level. No information is collected directly from children. All data must be submitted by school administrators or parents.

Parental Rights

Parents and Guardians have the right to:

- Review any personal information collected about their child.
- Request that we delete their child's information from our system.
- Refuse further collection or use of their child's information.

To exercise these rights, parents may **contact us**.

Privacy of Donors

We do not sell or share donor personal information with any third parties. All donor data (excluding credit card numbers, which are never stored) is accessible to the school via the

secure Dashboard. MyFunRun is a division of MyEvent.com Inc., an established provider of secure online fundraising and event tools since 2002.

Security

We use industry-standard encryption and data security practices to protect all information collected through our platform, including data associated with children under 13.
