There are 2 separate versions of the Letter to Parents. One version is more suited for events using Pre-registration, and the other version is more suited to the Open registration model.

If using a Pre-Registration, you provide us with a spreadsheet of participants to import into your website, and the system automatically generates their fundraising pages.

The information you add as the **purpose of the fundraiser**, the name of the **Name of school or organization**, **Name of the fun run event**, **Fun Run date**, and the **individual goal**, will be incorporated into the Letter. These details can be reviewed and customized at any time through the **Resources** area.

Here is a sample of what the **Pre-Registration** Letter looks like.
