Pledge Sheet

Category: Digital Materials
Published: Nov 13, 2025
Reading Time: 1 min

The **Pledge Sheet** is a printable flyer where students can enter cash and check (ie. offline) donations along with the donors' information, and hand those in to the organizer.

Offline donations can be added by the organizer via the Dashboard so that the offline amounts are reflected on the website in the progress indicator and Leader Boards, as well as in the fundraising totals and reports.

There are never any fees charged on offline funds you collect.
