The Premium package gives you access to more resources and the ability to customize more. The following resources are available, and/or can be replaced or added to with your own documents.

The Personal QR Flyer is a printable flyer that is customized with students' information, like profile picture (if supplied), grade, and class. The content is fully customizable. The purpose of the flyer is to request donations from family, friends, and donors. This flyer contains a QR code which, when scanned, takes potential donors straight to the student's personal fundraising page. It also includes a fun thermometer with the goal!
