The Thermometer or Goal Poster is a printable poster used by many schools to be posted at various locations throughout the school, or it can also be shared with neighbors and parents/guardians. Make a fun activity of coloring it in as you progress towards your goal!

The information added to the Thermometer poster content will be implemented in the poster. These details can be reviewed and customized at any time through the [Resources](#) area.

The poster features a pink horse head icon at the top center. Below it, the text reads "Get ready for July 09, 2026" in blue and yellow. To the right is a QR code. The main title is "School of Fundraising Best Fun Run". A "Group Goal" of "\$10,000" is displayed in pink. A vertical thermometer on the right shows a scale from \$0 to \$7,500, with a red liquid level at the bottom. The text on the left provides details about the event date, past success, current goal, and donation information.
